

**REMARKS**

Claims 1-58 are pending.

Of these claims 1, 5, 6, 10, 14, 19, 22, 24, and 35 are presented for present consideration.

Claims 1, 5, 6, 10, 14, 19, 22, 24, and 35 are rejected under 35 USC § 112, second paragraph.

Claims 10, 22 and 35 are currently amended.

The Examiner's summary, which states that only claims 1, 5, 6, 10, 14, 19, 22, 24 and 25 are pending is respectfully believed to be incorrect, as the remaining claims have not been canceled. Indeed, claim 1 is currently indicated as having no rejections based on prior art. It therefore appears that all of the species of the elected invention may be restored to consideration.

**Rejections under 35 USC § 112, second paragraph**

Claims 1, 5, 6, 10, 14, 19, 22, 24, and 35 are rejected under 35 USC § 112, second paragraph for failing to particularly point out and distinctly claim the subject matter regarded as the invention.

Claims 10, 22, and 35 have been amended in accordance with the Examiner's suggestion to specify that data of the content is processed.

The applicant respectfully suggests that §112 second paragraph rejections have been overcome by the amendments entered herewith.

All the issues raised by the Examiner have been dealt with.

Prompt notice of allowance is earnestly and respectfully requested.

Respectfully submitted,

Martin Moynihan
